International Health Partners-US sends funds to a registered NGO in Tanzania that allocates the money according to our directions. We have known the leaders of the NGO for more than a decade, and trust them completely. One or two of our board members are in contact with the NGO leaders weekly. A few of the board members visit the project annually, sometimes staying for weeks or months at a time to assist with the project. Line items for money allocation are quite specific, and the details for each line ' s distribution are understood by us and the NGO.

The Tanzanian NGO relies on us in America for medical knowledge, hospital design experience, and a network of donors. We rely on the NGO for their knowledge of Tanzanian construction, their knowledge of local laws and customs, and for their ability to complete projects quickly and efficiently. It is a positive relationship that has resulted in improving the quality and availability of healthcare in Tanzania.
